BOWIE BLAST

This year, Bowie seniors in the Practicum for Entrepreneurship course will participate in supervised internships in Business Management, IT, Counseling and Culinary. This course is designed to be a capstone experience providing students with the opportunity to apply the skills and principles learned in their CTE Sequence. The program will help prepare students for entry-level employment and/or post-secondary education. **If you are interested, or know of businesses that would be interested in providing an internship to Bowie students, please contact Ms. Kris Maniscalco at kris.maniscalco@austinisd.org for more information.**

This past weekend, members of the speech and debate team competed at the Hendrickson TFA State Qualifier.

Big congrats to **AJ Lee** for placing third in Humorous Interpretation and **Gehna Srivastava** for placing 7th in Congressional Debate.
Congrats to the entire team for a great kickoff to the season!
